

Dead Prez Lyrics

"Believe"

(feat. Stic.man & Ms. Nora (Stic's Mama))

[Chorus: Stic man]

I know I can, I'm sure I can
get this dope out my veins
I believe I can, I know I can
I'm sure I can break free from the chains

[Verse 1: Stic man]

I can heal, I can change a fight and never give up
I'd made up my mind I can do it and that's what up
I'm a learn I'm a find what I need to help myself
I understand that it's up to me to take care of my health
I'm a prove to the world that I can get back up
on my feet and I'm a do it for myself for me
and for my family, they only want the best for me
they wanna see me in control of my destiny

[Chorus: Stic man]

And I believe I can
I know I can, I'm sure I can
get this dope out my veins
I believe I can, I know I can
I'm sure I can break free from the chains

[Verse 2: Stic man]

Aint no easy way out, but I made it this far
many days I slip back frustrated cos it's hard
but it's my time now to make the changes in my heart
And I aint looking back right here today is where I'm a start
I believe in myself, I just made some bad choises
I still love myself and I aint ready for the coffin
I'm reaching out to my loved ones for they support
and no negative thought is gonna stop me just (watch)

[Chorus: Stic man]

I believe I can
I know I can, I'm sure I can
get this dope out my veins
I believe I can, I know I can
I'm sure I can break free from the chains

[Verse 3: Stic man]

I got things I wanna do in my life I aint did yet
I know I've been close to the egde but I aint dead yet
it's never too late to make a change for the better
and I really mean it this time I'm bout to get myself together
I know it's not just me I aint the only one

everybody got something that they need to overcome
you aint got to smoke crack to be a fiend
a fiend is just somebody whos addicted it can be anything
too many of us addicted to the American dream
we high from the lies on the TV screen
we drunk from the poison that they teach in the schools
and we junkies from the chemicals we eat in the food

[Chorus: Stic man]

I believe I can
I know I can, I'm sure I can
get this dope out my veins
I believe I can, I know I can
I'm sure I can break free from the chains

[Speech: Stic man's mum]

I believe in myself
I believe that greater is in me, than is on the outside
I can be ... who I wanna be
It's already inside me, if I just believe in myself
